

From the intersection of US 285 and Jefferson County Road 126 (CR-126) at Pine Junction, turn south on to CR-126 and travel for approximately 13.5 miles (passing through the towns of Pine Grove and Buffalo Creek) to Forest Service Road 550. Turn right onto Forest Service Road 550 at the (brown) national forest sign indicating the direction for Meadows GC (Group Camp), Wellington Lake, Buffalo Campground, etc. Continue west on FSR 550 for ~5 miles. Look for the signage indicating the left turn toward Meadows GC about 1/4 mile past Buffalo Campground. Pass through the Meadows GC gate and park at Site #1 (the first of only 2 GC sites).
